RE: Sunshine Law Request – Alternatives to Abortion Program

Dear Mr. Stevens:

I am responding on behalf of the Custodian of Records for the Department of Social Services (DSS) to your information request. Your request was for:

CfA requests from the Department of Social Services ("DSS") copies of all communications, meeting notices, meeting agendas, informational materials, talking points, or other materials received by DSS from, sent by DSS to, exchanged between DSS and any vendor or prospective vendor seeking to operate as part of DSS's Alternatives to Abortion Program (the "Program"), as well as communications between or among members of DSS regarding the Program or the vendors that provide services to Missourians under the Program.

This request is for records from January 1, 2015 to the present.

You narrowed your request to documents regarding the Alliance for Life program and not other programs. You also eliminated communications about the status of various legislative appropriations bills/fiscal notes, communications about the status of the budget – appropriation vs. expenditures, fiscal year summaries/information, communication about
